Subject: Jeff Shea- CRT Kobayashi Depo Prep/Merits Review Update

All: I have completed the JLA Kobayashi_names and e-mail (narrowed) 00003 batch. I'd estimate that this batch was about 90% foreign language, but there were a few docs of interest mixed in- I've summarized some below. These docs hit various Top Level Issue categories (none of them are Conspiracy-relevant, however). I am moving on to another Kobayashi batch. Thanks.
